Our Katrina experience was:

Katrina was and has been a life changing ~~experience~~ for my family and me. I am a single Mother of 2 children and had a nice home in a very pleasant Neighborhood in Waveland MS. We had been in our home for the past 17 yrs and had accumulated many things and in a day, everything is gone. We were able to salvage a few memorabilia's, but sad to say a Lot is gone forever. Our area did not require flood insurance so therefore, Farm Bureau has only pd a small amount that will only cover a Roof.

Write something special that you would like Santa to bring you or your family:
